Enter OTP sent on your Aadhaar card registered mobile number and click on the "Verify & Download" Button.

The screenshot displays a mobile application interface for Aadhaar verification. At the top, there is a grey button labeled "Send OTP". Below it is a checkbox with a blue checkmark and the text "Do you want a masked Aadhaar?". Underneath the checkbox is a text input field with the label "Enter OTP" and the value "821171". At the bottom of the form is a blue button labeled "Verify & Download", which has a small orange circle highlighting the word "Download".
